MEMORANDUM FOR: Director of Central Intelligence

SUBJECT: Breakfast Visit of Senator Birch Bayh (D., Ind.)

1. I have not been able to get through to the Senator directly but his secretary Fran Voorde has talked to him about our Monday (14 July) breakfast and says he would like a general rundown on SS-9s, ABMs, etc. She says he has no need to talk to you privately.

2. I therefore suggest you have [REDACTED] and/or Duckett to cover Soviet weaponry. However, Bayh has many interests and quite possibly will lead the discussion into other areas. You may therefore want to include Jack Smith or Godfrey and possibly [REDACTED]

3. If you wish to push General Cushman's congressional contacts, you might also consider including him.

4. Please let me know the ones you want so I can alert them.

5. I am picking up the Senator at 7:30 a.m. Monday to drive him out and will take advantage of the occasion to pump him up on the Ervin bill. However, I think a personal pitch from you would be helpful.
